A block of rooms at the following hotels have been reserved by the World Bank under the name WB/SDMX conference from January 8 to 12, 2006 for individuals to call in to confirm their room. The cost of a room per night will be 169USD + tax. The cut off date to reserve a room is December 15, 2006. After this date, the World Bank will cancel all rooms that are not filled. Any reservations received by the hotel after the cutoff date will be taken on a space and rate available basis. Any changes involving the method of reservations to the hotel must be approved by the hotel in advance and are subject to renegotiation. Guests are responsible for their own charges and will be asked for a credit card upon arrival. If an individual makes a reservation and fails to check in on the reserved day, one night's room and tax will be billed to that individual. Any cancellations made less than 24 hours prior to arrival or failure to arrive for a reservation will also be charged for one night's room and tax.
